

RANCHO LOS AMIGOS
NATIONAL REHABILITATION CENTER

Vacancy Announcement

Rancho Los Amigos National Rehabilitation Center is an internationally renowned provider of choice in the field of medical rehabilitation and research. *U.S. News and World Report* consistently rank us among the top rehabilitation hospitals in the United States. We are a mission-driven organization dedicated to providing superior medical and rehabilitation services in a culturally sensitive environment. Rancho Los Amigos Department of Nursing is seeking a highly qualified Nurse to fill the position of:

Relief Nurse – Wound Care

Description:

This position provides support to the patient care services division in the prevention of hospital-acquired pressure ulcers by assisting with data collection needed for an advanced wound assessment, and by making wound care recommendations for patients as identified by registered nurses assigned to those patients, or in consultation with other skin and wound care team (SWAT) members.

The role of this individual is to support the standardized program for the care, teaching, management and rehabilitation of patients with or at risk for wound development, under the directorship of the Wound Care Coordinator encompass patients with wounds due to pressure, incontinence, surgery, trauma, burns, infections, venous insufficiency, arterial insufficiency, neuropathy or other pathologies. This position will promote and support the standardized program for tracking the prevention and treatment of pressure ulcers as directed. This position interfaces with physicians and hospital, education and skilled nursing staff for support of the guidelines established by the wound care department. This position works closely with Risk Management to ensure the safety of each patient. **Special Information:** Appointees may be required to work any shift, including evenings, nights and weekends

Desirable Qualifications:

- Current wound care certification through the WOCNCB (CWOCN, CWON, CWCN), AAWM (CWS), or NAWC (WCC)
- Bachelor's Degree in Nursing
- Extensive work experience in wound care setting (minimum 1 year) preferred
- Minimum of two recent years of acute care experience
- Experience in collecting data and writing reports
- Bilingual (English/Spanish) preferred

Submit Resume to:
